

Bone Grafting

Course Preparation Materials

Congratulations! Welcome to the exclusive LVI Family.

Bone grafting was once performed only by specialists. Now conscientious clinicians are obtaining predictable results in sockets, on ridges, and with periodontal defects utilizing a new generation of bone graft materials and inexpensive guided tissue (bone) barriers. The result is improved aesthetics, simplified prosthetics and salvaged dentitions for everyday, happy patients. Bone grafting techniques will be thoroughly discussed with voluminous clinical examples throughout the hands-on-course.

Topics covered include:

- ◆ Classifications of graft materials
- ◆ Examples of each category and benefits of each
- ◆ Case selection and exclusion criteria
- ◆ Patient consultation
- ◆ Case reports: extraction sockets
- ◆ Hands on:
 1. Suturing
 2. Barrier materials
 3. Bone graft products
 4. Graft models using collatape or gelfoam and suture
 5. Patient consultation
- ◆ Introducing CTR Barriers
- ◆ Case reports: GTR
- ◆ Hands on:
 1. Resorbable
 2. Non-resorbable
 3. Graft models using both GTR's and suture
- ◆ Clinical Examples: Live surgeries
- ◆ Questions answers and controversies

Demonstration Patients

In order to provide the best learning experience for all attendees, LVI is accepting cases to be considered for demonstration surgeries to be performed by the Clinical Instructor. If you have a patient of record that requires a bone graft, ridge augmentation, extraction/socket graft, etc, and would like them to be considered as a demonstration patient, please submit a short description of the treatment plan, panorex, and/or radiograph via email to either our Clinical Director, Dr. Mark Duncan (mduncan@lviglobal.com) or Clinical Affairs Manager, Minette Boquiren (minette@lviglobal.com). Should your case be approved, you will be contacted with further details.

What to Bring

When you arrive at LVI, you will receive a notebook with the complete course schedule, educational materials and a map of the LVI Campus. All other course materials are supplied.

Breakfast will be served in the Bistro each morning beginning at 7am. There are regularly scheduled breaks throughout the day, and a hot lunch served buffet-style at noon.

Frequently Asked Questions

Q: What is the weather like in Las Vegas?

A: In the winter months (December through mid-March) temperatures range from lows around 15 degrees with highs up to 60 degrees. In spring (mid-March through May) the weather is nice with highs between 70-80 degrees. Summer months (June through mid-September) are hot, highs up to 110 degrees, with nice warm summer nights. In the fall (mid-September to November) it cools down with temperatures back around 70-80 degrees.

Q: What should I wear when I come to LVI?

A: Business casual. We tend to keep the building cold so you might want to bring a light sweater.

Q: How far is the Las Vegas Strip from LVI?

A: Approximately 12 miles. It could take up to 30 minutes with traffic.

Q: Do you provide transportation to LVI?

A: LVI provides transportation *only* from the J.W. Marriott, Red Rock and the Suncoast Hotel. Check with the Bell Stand for pick up times on course days.

Q: If I take a cab, what do I tell the driver?

A: Take I-15 north to I-95 North to Summerlin Parkway. Exit right on Town Center Blvd and make your first right on Hillwood Dr. (see "Directions to LVI" in this booklet for more detailed directions).

Q: Where do I check-in when I first arrive at LVI?

A: For every course you attend at LVI, you must check-in on the first day in the Hillwood Building (the main building). However breakfast will be served in the dining hall located in the Hillshire Building (the new building).

CE Information

Important Information Regarding Your Continuing Education Credits

How Many CE Hours Can I Expect to Receive From This Course?

After completing this program, you will receive a verification letter of the appropriate AGD approved continuing education hours. These credits represent the lecture and participation portion of the course. **Your AGD number must be on file at LVI in order for us to file your education credit hours with the AGD.** You are required to complete information regarding AGD number and membership on the sign in sheet for each course. If that information is not completed, your education hours will not be sent to the AGD.

When Will I Receive My CE Credits?

You will receive your ce letter at the end of the course. Please copy the form and submit it to your governing agency.

Does LVI Submit My CE For Me?

Yes but only if you provide us with your AGD membership verification and your AGD number. It is your responsibility to keep the letter indicating your credits on file in your office and, if necessary submit your CE hours to the appropriate organization (i.e.: your state/territory, etc.).

What Happens If I Lose My CE Form?

Once you receive your CE forms, hold on to your originals and send copies when submitting your CE hours. **If your original letters are misplaced, LVI must charge a \$30.00 processing fee for necessary research. Replacement CE letters can take up to 3 weeks to receive.**

Educational Objectives

The objectives of this course are for the participant to:
